EXPRESS ID CARD AVAILABLE TO LAWYERS

PHOENIX—Beginning July 1, court facilities in Maricopa County will issue identification cards to lawyers that will speed their entrance into court facilities. Attorneys in good standing who apply for and receive the cards will enter via “express lanes” separate from entrances for the public. The cards will ease entrance at designated courthouse doors.

According to court administration, about 3.5 million customers come to Superior and Justice Courts in Maricopa County each year. Many attorneys need to enter and exit courthouses several times a day, compounding court traffic even further.

To obtain an express access card, an attorney must meet several requirements to obtain security express privilege. They must be members in good standing of the State Bar of Arizona, provide an FBI background check and submit to metal scanning and inspection of personal items brought into the courthouse, among other requirements. There is a \$25 fee.

An application and additional details are available at www.superiorcourt.maricopa.gov/security/forms.asp
